Vista del Mar MAKO Educational Foundation

FUND THE FUTURE 2010 AND BEYOND

“Why support the MAKO Educational Foundation?” The MAKO Educational Foundation’s mission is to raise funds through donations for educational enrichment, and to **Maximize Academics, Knowledge and Opportunity** for each and every student at Vista del Mar Elementary and Middle Schools. With the current budget crisis facing the State of California and our District, **community support is essential** to maintaining the high level of quality education we have come to expect from Vista del Mar. As the only neighborhood school serving our children in grades K-8, the Talega community as a whole will benefit from the success of our Vista del Mar students. Join us in continuing Vista del Mar’s tradition of excellence in education, and preparing our children for future success in high school and beyond.

FUND THE FUTURE 2010 AND BEYOND GOALS

VISTA DEL MAR ELEMENTARY SCHOOL

- State of the Art Computer Lab + ELMO Document Cameras in each classroom - \$60,000
- Instructional Aides (one aide per grade level) - \$75,000

VISTA DEL MAR MIDDLE SCHOOL

- State of the Art Computer Lab - \$60,000
- MYACCESS Online Writing Tool - \$5,500
- Student Response Systems - \$2,800 per classroom

Fund the Future 2010 and Beyond focuses on providing the most up-to-date and innovative technologies and programs available to our students and teachers, as well as fostering smaller class sizes by funding instructional aides to facilitate more personalized instruction in small groups. Every child will benefit from the programs funded by the MAKO Foundation. *Now, more than ever, it is imperative that you make an investment in your child’s future by joining the MAKO Foundation, and helping maintain the academic excellence that our children enjoy at Vista del Mar.* Give what you can – no amount is too great or too small!

SOMETHING TO THINK ABOUT.....

If every parent at Vista del Mar pledges \$100 per child (less than \$10 per month) each year, \$150K could be raised from membership pledges to “Fund the Future” of our children!
